At least 50% of fees must be paid by Nov. 19 to qualify for early registration rates.

Dec. 1 – **Final Registration deadline** – after this date, athletes will not be able to join programs until coaching/group assignments can be worked out

Nancy Greene Ski League Overview

The Nancy Greene Ski League is the "FUNdamental" stage of ski racing for children 6 -12 years of age. During this time they will be introduced to basic skiing techniques and skills, develop the ABC'S (agility, balance, coordination, strength /speed) in as many different snow conditions and terrains as possible and most of all, have fun on skis. Each year the children participate within their club in team and individual competitions.

All participants must be at least 6 years of age and capable of getting on and off the lifts without assistance. Participants should have a few years of skiing experience and capable of skiing runs such as the Back Trail on Red Mountain and the Main Run on Granite Mountain. Older participants (8 and up) should be capable of runs such as The Cliff on Red Mountain and the Towers on Granite Mountain. Helmets are mandatory and lift passes must be purchased separately.

If you're at all uncertain about joining the program, please be sure to consult with Sean Valentine (Executive Director) at 250-362-9010 or Liz Arsenault (Nancy Greene Coordinator) at 250-362-3301

Helmets are mandatory and lift passes must be purchased separately.

Red Mountain Racers 2008/2009
Parent Participation Information

Red Mountain Racers is a club with athletes from 6-18 years old that includes; Nancy Greene Ski League (NGSL), K1, K2, and FIS programs. Throughout the years, we have been able to keep our program fees among the lowest in the country by using volunteers and fundraising to subsidize the costs of operating the club.

Red Mountain Racers' programs are funded by:

- Registration fees from local athletes (about 16.3%)
- Fees from visiting academy athletes (about 11.8%)
- Fees from visiting short-term athletes (about 7.8%)
- Grants - BC Gaming Commission (about 8.2%)
- Fundraising - (about 31.1%)
- Races held at Red (about 24.8%)

You can see that the fees we charge our local athletes only accounts for a small portion of the clubs costs and the fees are heavily subsidized by fundraising, grants and out-of-town athletes. About 35.9% of the clubs budget comes from our registration fees and there are many ways you can help out and keep these fees low. Prior experience with ski racing is not required and if you're new to the club, welcome – we're sure you'll find it fun once you get involved!

The Red Mountain Racers appreciates your assistance in volunteering, and are proud to provide you with our Subsidized Registration Fee. This fee is only a portion of the programs true costs, so your volunteer time is crucial.

REGISTRATION FEE OPTIONS

Option 1 - Subsidized Registration Fee

By choosing Option 1, you are agreeing to participate in our Volunteer program.

OPTION 1 (Volunteering)			
Red Mt. Program	Subsidized Registration Fee	Opt Out Fee	Total Fees
NGSL	\$350	Fee Waived	\$350
(2 Day) K Racer	\$950	Fee Waived	\$950
(3 Day) K Racer	\$1250	Fee Waived	\$1250
FIS	\$2000	Fee Waived	\$2000

Volunteer Program - Number of Participation Days

*If you are registering more than one child, only refer to child in highest level program.

Below is a table with the minimum number of days you are required to volunteer in order to qualify for the program subsidy. If you are able to assist the club with additional days, it would be greatly appreciated.

If you are unable fulfill your duties, you will be charged for the day(s) missed. This means, the Opt Out Fee (see Option 2) will be divided by the number of days in the table below and you will be charged for that missed day(s).

Example - Each day a NGSL parents misses is equal to a charge of \$100 per day.

NGSL	4 Days
(2 Day) K Racer	10 Days
(3 Day) K Racer	12 Days
FIS	15 Days

If you have volunteered for an event, but for reasons beyond your control, cannot fulfill your duties, it is your responsibility to find a replacement and/or notify the event organizer.

<p><u>Option 1</u></p> <p>We are choosing to participate in the Red Mountain Racers Volunteer Program.</p> <p style="text-align: right;">Only Pay Subsidized Registration</p>	<p><u>Initial</u></p>
---	-----------------------

Option 2 - Volunteer "OPT OUT FEE"

If you cannot, or choose not to participate in fundraising, race events and planning, you can instead pay an "Opt-Out Fee". This Opt Out Fee, is added to the Subsidized Registration Fee, and combined this equals the Total Fees of your child's program.

This Total Fee is already being charged to out-of-town athletes in the Red Mountain Racer Academy program whose parents reside outside the area, and thus, cannot fundraise.

Once again, this fee is only charged if you cannot, or choose not to participate in our Volunteer efforts.

OPTION 2 (Opt Out Fee)			
Red Mt. Program	Subsidized Registration Fee	Opt Out Fee	Total Fees
NGSL	\$350	\$400	\$750
(2 Day) K Racer	\$950	\$2,250	\$3200
(3 Day) K Racer	\$1250	\$2,750	\$4000
FIS	\$2000	\$4000	\$6000

<p><u>Option 2</u></p> <p>We are choosing the Opt-Out Fee.</p> <p style="text-align: center;">Subsidized Registration + Opt Out Fee = Total Fees</p>	<p><u>Initial</u></p>

CODE OF CONDUCT AGREEMENT

Athletes are expected to always:

- act in a way that shows pride in being a member of the Red Mountain Racers, one of the oldest and most successful ski racing organizations in Canada
- strive to achieve and show the highest levels of good sportsmanship and team spirit
- act in a respectful and helpful manner towards all of their fellow members, the coaching staff, fellow athletes and their parents, without whose many hours of volunteer work, the club's programs would not exist
- act in a courteous and helpful way towards the general public, the skiing public and ski industry employees and ensure that their appearance and language reflect this attitude
- act in a friendly and helpful way towards fellow racers (and help the younger and/or less experienced racers to feel part of the team)
- show respect and cooperation to coaching staff. The racer must be committed to attend races and training sessions (snow & dryland) on time and prepared. If unable to do so, they must notify their coach as much ahead of time as possible.

Unacceptable athlete behavior includes, but is not limited to:

- repeated failure to participate in the program as designed for the athlete
- blatant disrespect for people and property (athletes, coaches, officials, sponsors, equipment, ski areas, etc.)
- blatant use of foul language
- bullying, horseplay on lifts, line crashing
- stealing
- using alcohol or tobacco products of any kind
- using, encouraging the use of, or distributing drugs
- sexual activity with other athletes

General common sense will be a guide in identifying other unacceptable behaviours.

Disciplinary Action:

Athletes who engage in unacceptable behavior may be subject to disciplinary action by the coaches and/or the club Executive. Decisions on short-term disciplinary actions may be made by coaches, in consultation with the Head Coach and/or Alpine Chair, when feasible. All coaches have the authority to decide on appropriate short-term disciplinary action in cases where it is not possible to consult with others in a timely manner.

Major infraction:

- has serious impact on the athlete, other athletes or individuals and the program as a whole (e.g. sexual activity with team mates, use of drugs)
- may result in suspension or expulsion from program

Minor infraction:

- has limited impact on athlete, other athletes or individuals or program as whole (e.g. use of foul language, failure to participate in designed program, bullying)

- may result in short-term disciplinary action (e.g. withdrawal of training or racing privileges for one to six days, depending on frequency of occurrence.)

Athletes' parents will be informed of all infractions and disciplinary actions. There will be no refunds of program fees for time missed resulting from a disciplinary action of any kind.

Any decision regarding long-term or permanent disciplinary action (suspension for one or more weeks, or expulsion from membership) will be made only by a panel of three independent RMR Executive members who have no links to the incident(s) under investigation. On expulsion from membership, any outstanding balance in the athlete's expense account with the club is payable within 30 days.

Appeals:

- No appeal process for any short-term disciplinary actions.
- For major infractions resulting in expulsion, appeal may be made to a panel to be composed of two independent RMR Executive members (who were not part of the discipline panel) and one individual not connected with RMR and mutually agreed upon by the RMR President and the appellant.

Parents are expected to:

- Refrain from interfering with the coaching staff in their efforts to teach and encourage the athletes.
- Participate willingly in fundraising activities, races and other events associated with the club.

POLICY: Financial – Athlete Expense Policy

POLICY SECTION: 6.1.1 Financial – Racer Accounts

DESCRIPTION:

This policy is intended to ensure that athlete accounts for program fees and race expenses are paid in a timely manner so that the club does not experience cash flow problems.

Athletes attending camps or FIS races will be required to pay the estimated cost of the trip prior to departing with the team. Athletes attending K level races will be required to pay expense account invoices within 15 days, or no further costs will be incurred by the club for those athletes.

Interest of 2% per month will be charged on account balances that are over 30 days outstanding.

Travel and lodging costs for camps and FIS races will be divided equally among the athletes who attend. In the event of cancellation of a trip by an athlete, the athlete must still pay 100% of their cost share of the travel and lodging, if the cancellation by the athlete occurs too late to obtain a refund, or to change the bookings. The cancellation charge will be waived only in the event of athlete injury/illness or *bona fide* family emergency.

Coaches' travel expenses for camps, FIS races and K races will be divided evenly and charged to the athletes participating in each event. (RMR coaches make every effort to keep lodging and other costs to an absolute minimum, the club specifies modest mileage rates and per diem meal rates for coaches.)
